

Financial Hardship Waiver Guidelines

The twenty dollar (\$20) application fee may be waived in cases of financial hardship based on HHS Poverty Guidelines. One of the phases of the hiring process will include a thorough background investigation in where certain documents will be required including income tax forms.

If the Department learns at that time that an applicant did not meet the eligibility guidelines, had the ability of paying the application fee and that a request to waive the fee was fraudulent, the candidate will be dropped from further consideration in the selection process. Following are the Eligibility Guidelines for requesting a Fee Waiver. If you are eligible, you may select the Fee Waiver option when submitting your on-line application.
